"I am very impressed with the quality of all 3 productions I have seen. The sets are creative and beautifully constructed. The plays are well rehearsed and lively, and the performances are enhanced by the accents, actions, and expressions of the actors. Thank you very much, Mark & Jude. I hope you come back year after year!"

--Jay Elementary School, Jay, ME

"Of the highest quality on all levels: writing, acting, scenery (ingenious!), costumes (beautiful!)...Great ideas to feed fertile minds! There was even stuff for adults! So many thanks!"

--Walker School, Liberty, ME

"The production was timely and enjoyable. We wanted to reinforce classroom lessons, and this program fit the bill very well. Hope to see you again!"

--Harmony Elementary School, New Monmouth, NJ

*"I appreciate your professionalism on an administrative level. Your directions are thorough, notices arrive in a timely fashion, and your set-up and take-down is orderly. (Your **Magi** set was very nice.) From the feedback I received, everyone enjoyed your performance. You deal very well with the 'gym' atmosphere. We consider our money very well spent!"*

--Clinton Elementary School, Clinton, ME

"Very high quality. Content, creativity, authenticity, acting...excellent! I especially liked the questions afterwards and rapport with the audience! The respect and thoughtfulness that went into the presentation show respect for your audience!"

--So. Berwick Central School, So. Berwick, ME

"As Cultural Arts Chairperson, I was extremely impressed with the quality of the performance. We will certainly book again for the following year."

--Woodridge Elementary School, Cranston, RI

"Your performance was outstanding! All the effort and time that you dedicate to your scripts, costumes, sets, teacher materials, acting, etc. was very obvious...such a professional and talented duo!"

--Line Elementary School, Limerick, ME

"We enjoyed your very professional performances. With the difficulties of scheduling programs to span a K-5 audience, your program was very successful in providing cultural enrichment, as well as entertainment for our students. Word of KTC's quality performance is spreading to other schools in our area!"

--Greater Johnstown School District, NY

"The children will talk about it for days, and are already looking in the library for the story!"

--Park Hills Elementary School, Hanover, PA

"Performance was very well done. Acting was quite professional; play was well written and produced. The humor was fanciful and fun. Often, with children's theatrical groups, children become stirred up by the action and actors. You had very good audience control with kids being interested and excited without becoming hysterical. Excellent!"

--Winchester Elementary School, Winchester, NH

"You are, by far, the most professional and most creative performers that our school has seen! You have an excellent rapport with children. Extremely impressive and A++."

**--Woodstock Elementary School,
Bryant Pond, ME**

"FANTASTIC! I am totally amazed that 2 people set up and presented such a QUALITY program. My class learned a lot and thoroughly enjoyed your presentation."

--North Salem School, Salem, NH

"Everything was of the highest quality. I've seen 3 of your shows, and you both are always riveting! I also like the fact that your productions have either educational or moral value. They're beneficial to the children and our classroom. Thank you!"

--Lincoln School, Springvale, ME

"What a truly enthralling experience. We don't see a story acted out very often—this was **wonderful!** The children and I couldn't stop talking about the play all day. It aroused the senses."

--Coffin School, Brunswick, ME

"They were enthralled—the children took something away with them they'll always remember."

--Chamberlain Street School, Rochester, NH

"Humorous, exciting, worthwhile and educational!"

-Chapel School, Stratford, CT

"This program was one of the best I have seen in schools in years. It was professional, entertaining, educational, and non-threatening. The program had great 'kid appeal' without talking down to them. It was excellent!"

--Holden School, Holden, ME

"Your efforts in adaptation were right on target... one of the best stage events that I have seen in 20 years of teaching!"

-Col. Moses Parker School, Chelmsford, MA

"The looks on the kids' faces said it all. They were completely enthralled! You definitely need to continue. You're a credit to your profession!"

--Manson Park School, Pittsfield, ME
